

## PILOT BOAT RELIEF OF THE VIRGINIA PILOT ASSOCIATION

This handsome and staunch vessel is the ocean home of the pilots and the faithful guardian of Virginia's commerce. She was rammed and nearly sunk on the night of June 15th. Twenty-seven lives were imperiled, but this is simply one of many kindred experiences in a pilot's career. Experiences which would furnish never-to-be-forgotten thrills to their chief persecutor.

## SPORTS

## AT 'EM AGAIN

Trinity and the First Baptist teams of the Sunday School League will lock horns on Dreadnaught Park tomorrow afternoon at 5:30 o'clock. These are the real rivals in the league and with Dodd on the mound for the Baptists and probably Brown twirling for the Methodists supporter of each team are expecting victory. Both these teams have been putting up good games so far this season and the game tomorrow is expected to be one of the best yet, but "you can't always sometimes tell."

## LEAGUE MEETS TONIGHT

Officers of the Sunday School Baseball League and officers of the various teams will meet tonight in Young People's Building to consider some matters of importance. This meeting has been called by the president and it is hoped that all members will be present.

## EXCELLENT GAME

The baseball fans and fanettes that witnessed the baseball game played on the Cardinals new field Sunday by the Cardinals and Union Printers teams were given a grand treat. No better or more interesting contests are played in the American League or National League than the one mentioned above. This brief story tells the tale: Union Printers, Cardinals, 0. There was no fake pulled off by these teams. Both were playing for glory and their respective players tried hard to win at all times. "Jimmy" Quayle, the Cardinals' strong boy, pitched a grand game throughout. The Printers had the bases loaded on one occasion, and he struck the batter out—retiring the enemy. At other times with men on second and third bases he cored the batters to dreamland with his colorful fast curve ball "Peeble." In one inning he fanned three in "one," "two," "three" order. Roy Hood, the slugger, late star first baseman, of the Toledo team, of the American Association, was Jimmy's victim on two occasions by the whiff route. Fourteen strike outs is an excellent record for a Sunday afternoon.

"Happy" Smoot, the lad who can play any position on a baseball team in a most creditable manner was behind the bat and he performed in big league style.

"Marine" Boy Conroy, first base; "Sunny" Nowland, the little streak of human light who is well known as a member of the Virginia football and basketball teams, was on duty at second base; Lambert King, the five-wire late of the United States Navy, third base; Captain Elbert Anderson, shortstop; "Soldier" Ludlow, the boy who carried a trusty rifle in defense of the American nation against a foreign foe in France; also his comrade in arms "Admiral" Sims, a "Devil Dog Marine," whose rapid-fire machine gun and revolver barking caused many of the enemy forces to throw up their hands and yell "Kamerad!" were doing scout work in right and left field; Sterling Herron in center field was performing all kinds of circus acts. His running catch that caused him to turn a complete somersault, during which he retained the ball and hid it aloft, and his excellent fielding was the feature in the outfield work.

Every player on the Union Printers team showed their ability to play baseball as it should be played and their alertness and quick thinking kept the Cardinals from scoring at different times. Although the Cardinals connected with Hutchison's offerings often the Printers were on hand to put the home lads out.

The all-around baseball playing of the Cardinals was greatly improved over last Sunday when they tackled W. F. Roberts Company nine and lost.

Field Manager "Jack" Tullock, of the Cardinals, received a hurry telegram from Richmond, Va., late Saturday evening, and he left on the 9:17 p. m. train on the R. F. and P. Railroad for that place. He will return in time for the weekly meeting of the

Cardinals to be held at the home of Sylvester A. Brown, 1322 King street, Tuesday evening, August 1, at 8 p. m. These weekly meetings are held for the purpose of discussing matters that will improve the general playing of members of the baseball team. All members are urged to be on hand at the time specified.

## CRYSTAL TIE

"Lefty" Buck Stover pulled the iron man stunt last week when on Thursday, July 27th, pitching for Crystal A. C., he held Coleman's heavy hitters to a 7 to 7 score in nine innings and on Friday, 28th, pitching for Crystal against Fauquier. All Stars at Delaplane, Va., lost a hard-fought game 7 to 6. The feature of the game was the pitching of Stover and the batting of Lee and Wood.

The team played a fine brand of ball, but the breaks of game went to Delaplane in the eighth inning when they put four runs over.

Mike Crystal's third baseman, will be out of the game for a couple of weeks on account of a very sore hand. His absence in the lineup will be felt. The Crystals will practice at 5:30 o'clock Tuesday evening on the Cardinals diamond.

## GATHERED TWO

The Dreadnaughts, in one of the hottest-fought baseball duels, yesterday defeated the last Shamrock A. C. of North East Washington by the score of 1 to 2. It was the first of a three-game series for a pivot position in the Championship series of the District.

"Rowdy" bosh, the infant twirler of District fame, performed as well as could be expected, but the Dreadnaughts were right and edged out by two runs. The locals lack the ability of engineering good baseball in the pinnacles, and threw away enough chances to win four games. The second game was with Cherrydale, the score being 9 to 3, in favor of the "Ds." In the early innings the game developed into a farce as the visitors were completely outclassed. Frye and Driess tossed for the locals.

Next Sunday Del Ray plays here in first game of a three-game series for the Championship of Virginia. The suburbanites disputed the right of the "Ds" to the title of champions, and the locals offered 'em a series. This series is expected to develop into one of the most interesting baseball battles ever staged in Northern Virginia.

## CHERRYDALE FORFEITS TO A. T. S.

Cherrydale Athletic Association's baseball team forfeited to the Alexandria Torpedo Station's baseball team Saturday afternoon by the score of 9 to 0. The game was scheduled by the business manager of the station team after seeing their notice in the Washington papers stating that the Cherrydale Athletic Association's team would journey to Alexandria, Sunday and play the Dreadnaught Athletic Club of that city at 3 p. m., and that they had Saturday open, and would like to arrange a game with some first-class nine. The manager of the A. T. S., after reading their notice and being without a game for his team Saturday, immediately called up "Mickey" Johnson, of the Cherrydale nine, to schedule a game with his team for Saturday, and Johnson stated he had a game with the Brookmont Athletic Club and the A. T. S. manager stated he was giving 60 per cent of receipts win, loose or draw, for a game Saturday as he was without one, and didn't want to disappoint his fans, so Johnson accepted terms and stated he would be on the job to play said game which was to start at 3 p. m. Since the game was scheduled Johnson announced in Thursday's issue of the Evening Star,

where he had two Alexandria teams on his slate. On the first day the Torpedo Station team would be encountered on the Cardinal Athletic Club diamond and on Sunday the Cherrydale team would be the guest of the Dreadnaught Athletic Club, and that the Saturday's game with the station team was listed after Brookmont Athletic Club had canceled. Why the Cherrydale Athletic Association's nine did not show up no one as yet knows. The A. T. S. boys were on the field early so they could get in good trim for the visitors, but were very much disappointed when the team didn't show up. We hope that our fans don't think it was our fault that the Cherrydale nine did not show up as we are trying hard to get the best teams we can and to get games with

## Here's Something

## Interesting

Do you realize how MICO ICE helps you to economize on household expenses every day in the week? Every week in the year.

Surely no part of the high cost of living can be charged to MICO ICE, but we would like to suggest that the cost of living might be much higher, were it not for MICO ICE.

teams you can depend upon to show up on the field at the designated time so our fans won't be disappointed.

We were more than anxious for the Cherrydale nine to show up so we could show the fans in Alexandria how we can stand up with the same class of baseball teams that the Dreadnaught Athletic Club are playing. We may have been a little out of our heads but we had decided that they would have to play a good brand of baseball to beat us Saturday, because we knew that if we defeated them that it would be a drawing card for the rest of our Saturday games as they were to play the Dreadnaughts Sunday.

We would play the best teams that are in Virginia or Washington, D. C., if we could get them, but we are in such a position we cannot guarantee those teams from fifty to one hundred dollars flat base guarantees. If we could we would play any of them.

## COMMUNICATIONS

Mr. Editor:

Alexandria Gazette,  
Dear Sir:—I would thank you for the use of the columns of the Gazette for the following article.

This campaign has brought to my mind a pleasant recollection. January, 1921, while a patient in the Alexandria Hospital, suffering from injury to both eyes. Attributing my recovery to the skillful physicians that attended me and also the hospital management. Miss Carter, the popular superintendent, was always on hand to see that everything was done for my benefit and comfort. The nurses both day and night were untiring in their effort to administer every relief possible. I must not pass over so important a branch as the office staff, without a few words of appreciation for their untiring service. All messages and mail being promptly delivered.

Speaking of the mail recall to my memory on January 13th, 1921, when my mail was brought up to me, amongst which was a letter from the Hon. Claude A. Swanson, which read as follows:

January 12th, 1921.  
Mr. George Reynolds,  
Care of Alexandria Hospital,  
Alexandria, Va.  
My dear Mr. Reynolds—I have just learned through mutual friends of your illness, and I write to express my sympathy and hope that you will have a speedy recovery. I will be very glad if you will either write me, or have some one write me and let me know how you are getting along. I am much interested in you and would like to be informed as to your progress.

With kind regards and best wishes,  
I am your friend,  
Claude A. Swanson.

I am publishing this letter, with-
